月夜幻談

The Immortal Life.
Vampires reside in the shadow of hunger and splendor
And self-righteous morality.
The corrupted minds of mortals conceive the vilest of evils.
The priest has already succumbed to insanity.
Molten into the inferno.
The torn body and shattered soul cries out
"Yes! This is not about revenge, but about feeding my gaping wound."
The bloody feast of the final act commences in the abyss.

MOST VAMPIRES LIKE THAT ARE CONNECTED TO CRIMINAL ORGANIZATIONS.
